Becks & James

Bless James Corden, he will do anything for a laugh – even stripping off with seasoned pants model David Beckham!

The host enlisted Becks, 39, for *The Late Late Show* last week, to star in a faux ad for 'D&J' tighy whities.

While Becks flaunted his hot bod, James, 36, unveiled his, er, slightly less toned physique – and revealed David's pet name for him is Mr Snuffleupagus. Aww! ■

PERRIE WARNED

'Don't marry Zayn!'

Amid further cheating claims, the Little Mix star's pals fear she's making a big mistake

Zayn Malik sensationally quit One Direction to focus on his future with fiancée Perrie Edwards. But after reports surfaced last week that he'd been unfaithful with yet another woman, Perrie has been advised to back out of their wedding plans.

Following rumours he cheated with Brit Lauren Richardson in Thailand last month, Zayn, 22, flew back to the UK to salvage his relationship with the Little Mix singer, 21. The pair then tried to move past the scandal and decided to speed up their wedding plans to prove their commitment.

But days after smoothing things over and looking around a multi-million-pound home together in Hertfordshire, a Swedish club promoter said she also slept with Zayn on the Thai leg of 1D's world tour.

Martina Olsson,

24, claims the band's security picked her out at Seduction nightclub and she ended up going back to the boys' villa. She claims she and Zayn had a shower together before their tryst, and that they hooked up again two days later – after he had been seen with Lauren, 19. Martina stresses she didn't know Zayn was engaged.

"Straight away when we were in the bathroom he started kissing me," Martina said. "He picked me up and said, 'I want you now' and carried me to bed." She warned, "Perrie should not stay with Zayn any longer because he cheated on her and continues to lie about it. It is not the first time either, so maybe she will walk away."

The recent allegations come two years after Zayn was accused of being unfaithful with Australian waitress Courtney Webb.

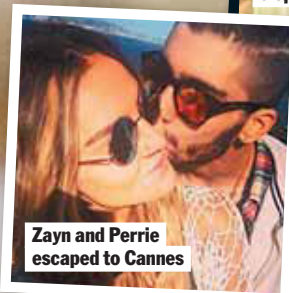

Those close to Perrie, who got engaged to him in August 2013, have begged her to reconsider her future with him.

A source tells *Star*, "It has been a difficult time for Perrie. They planned to put the Lauren rumours behind them and want to marry to secure their relationship."

"They thought they were through the worst of it, but when

Martina says she slept with Zayn

Zayn and Perrie escaped to Cannes

They are trying to get back on track

Zayn has more explaining to do

more allegations surfaced, it made things even more stressful. Perrie's family are concerned for her future happiness and have asked her to tread carefully."

Zayn has stayed quiet on social media this time around, after tweeting last week, "I'm 22 years old... I love a girl named Perrie Edwards. And there's a lot of jealous f**ks in this world. I'm sorry for what it looks like."

And it seems Perrie is standing firmly by her man for now. On 30 March, she went shopping in London with Zayn's mum, Trisha Malik, and his younger sisters, Doniya, Waliya and Safaa. Trisha, who has a good relationship with Perrie, is said to be helping to smooth things over between the troubled couple.

Days later, Zayn and Perrie were also seen boarding a private jet with his family, presumably to escape the spotlight and spend some quality time together on holiday abroad.

And Zayn posted a loved-up snap of him kissing Perrie, captioning it "Oui" – French for yes.

As *Star* went to press, Zayn's rep had declined to comment. ■

LOUIS LOSES IT OVER ZAYN

Fans fear he may be next to quit...

The harmonious split between Zayn and the One Direction boys appears to have come to an end, after Louis Tomlinson laid into Zayn's new music producer Naughty Boy.

Despite claiming he was leaving the band to live like a "normal 22-year-old", less than one week after quitting, Zayn's demo, *I Won't Mind*, had already been leaked online.

Louis was clearly fuming when Naughty Boy, who has worked with artists like Rihanna, retweeted a video dissing the band – and a bitter war of words broke out between the pair.

Furious Louis, 23, tweeted, "Wow @NaughtyBoyMusic you're so inconsiderate pal, seriously how f**king old are you? Grow up!"

After several angry tweets between the pair, the producer – real name Shahid Khan – tried to end the spat by sharing a link to the track along with the words, "Let the music do the talking."

Later on, there was speculation that the track

was actually unused material recorded for 1D, but Louis dismissed this as an "April fool".

Louis is well known for his fiery temper and insiders fear he may be next to quit. He's shown an interest in a career behind the scenes developing new acts with mentor Simon Cowell, and it was also revealed last week that he was offered a role in a film about Reading Football Club – but had to turn it down due to the band's schedule.

A source explains, "Louis loves football and it would have been a great way to begin carving out an acting career. But when he realised filming clashed with tour dates, he immediately turned it down."

"Louis is now wondering if he was right to let go of such an amazing opportunity. Things are quite tense between the 1D boys and no one knows what will happen next." ■

WHAT'S GOING ON WITH NIALL & AMY?

Rumours have been rife that 1D's Niall Horan has been secretly dating reality star Amy Willerton, but *Star* can reveal the truth about what's going on...

"They really are just mates," an insider explains. "Niall and Amy have hung out a handful of times, but there

is nothing romantic going on at all."

It seems Amy's busy working on a career in the US. "She's in the middle of filming a pilot in LA and has started hunting for a new pad," our source adds. "She's been getting advice from Kelly Brook on breaking into the industry over there." ■

RITA BLASTS

'Calvin & Taylor deserve each other!'

Taylor and Calvin hit the shops together

The singer feels angry and betrayed by their cosy new relationship

Rita Ora is seething over her ex-boyfriend Calvin Harris' relationship with fellow pop star Taylor Swift, who were outed as a couple recently.

On 26 March, Calvin, 31, and Taylor, 25, appeared to confirm rumours of a romance when they were spotted shopping together at Whole Foods in Nashville, before cosying up at a Kenny Chesney concert the following evening.

And it seems Rita – who until recently thought rumours they were dating were untrue – isn't at all happy about the showbiz coupling.

"Rita had heard Calvin was dating Taylor, but she didn't believe it until she saw the pictures of them together," a source tells *Star*. "She's hung out with Taylor before and, although they weren't close friends, they were pally, so Rita feels betrayed. She's joked to her mates that the pair are made for each other."

DJ and producer Calvin and Rita, 24, had an acrimonious split in June last year after 12 months together. She has since described him as "the right guy at the wrong time".

Just two months after their split, Rita admitted she still adored him.

"I'm not doing too great but I'm doing better than

I thought," she said. "I adore him – he's an amazing human being."

The *Voice* coach has moved on with Ricky Hilfiger, son of designer Tommy, but it hasn't stopped the pain over her ex.

Calvin hasn't always been into Taylor, though. In November last year, during an interview on the Capital FM breakfast show, he admitted that the *Shake It Off* singer wasn't his cup of tea.

When given a selection of female celebrities' names, Calvin was asked whether he would swipe right for yes or left for no if they appeared on Tinder – and he said he'd reject Taylor outright!

"She's just the opposite of my type," he said. "She looks lovely, but she's the opposite of my type so I'd just go left."

We're sure Tay is already penning a song about that! ■

Jac 'Dan isn't violent with me'

The actress vows to stand by her abusive TOWIE boyfriend

Jacqueline Jossa has chosen to stand by TOWIE's Dan Osborne, after his ex Megan Tomlin's brother Remzi revealed to *Star* the extent of his controlling and obsessive behaviour last week.

Breaking her silence, 22-year-old Jac took to Twitter to defend her boyfriend, writing, "I can assure you I wouldn't stand by a man capable of everything Dan has been made out to be. He is my best friend, boyfriend and he is a brilliant father."

"Above all else, I just want to clear up, he has never once been violent or even shown signs towards me at all. People around Dan know the whole truth and you would all be shocked."

"I am 100 per cent not saying what Daniel has said was right or okay, but people make mistakes when in dark places and it's something we sorted out privately. It's something he has apologised for and is embarrassed about."

The *EastEnders* star's tweets come after two recordings were revealed in which Dan, 24, threatens to stab 23-year-old Megan, mum to his 15-month-old son Teddy.

In one he threatens, "I swear I will end your f**king life if you shag another man. If you go near another man I promise you I will stab you in the f**king throat." He also calls Jacqueline's pregnancy with baby Ella "a mistake".

Since the release of the tapes, Megan has spoken out about the domestic abuse she suffered while she was with Dan, who she calls "controlling". Her

brother, Remzi Tomlin also told *Star*, "It's crazy how much he manipulated us all."

A bitter Twitter feud soon escalated when Jacqueline's mother Selina Jossa favoured a tweet from a fan calling Megan and Remzi "money grabbing". Remzi was not paid for his interview with *Star*.

The 21-year-old student responded to Selina by telling her to "learn some respect and grow up."

Jacqueline blasted Remzi, "Leave my mother alone." But he replied, imploring her to, "Tell the truth. Go on. Let's see it," adding, "You keep getting the wool pulled over your eyes." He also pointed out that although Dan said sorry to his fans, he has never apologised to Megan.

As Remzi faced a backlash from Dan's fans, he succinctly tweeted, "Society puts these Z listers on pedestals where they are untouchable, even if they are homophobic and violent."

Dan remained tight-lipped, aside from tweeting, "Too much ["ball" and "shit" emojis] I've read... Again."

Following the Twitter row, in which Dan's dad Jim and Jac's sister Katrina also waded in, Remzi tells *Star*, "It was never our point to get at Jacqueline. The only point we wish to make is the truth about Dan and the sort of person he really is." ■

'Help Ki lose weight

Rapper's rant to his wife's trainer revealed!

Kim Kardashian has revealed that hubby Kanye West "went crazy" at her personal trainer, when she appeared reluctant to help Kim lose more weight.

In a recent episode of *Keeping Up With The Kardashians*, Kim, 34, told her 30-year-old sister Khloé, "Kanye literally went crazy on the trainer today. She [the trainer] was like, 'So what are your goals, tell me everything' and I was like, 'I need to get down to 120 pounds.'"

Kim then explained how the trainer told her losing 15 pounds would be impossible. "She's like, 'There's no way. I can't even imagine you 15 pounds lighter,'" Kim continued, before describing 37-year-old Kanye's outburst.

"Kanye's like, 'Wait a minute. You are the trainer and you're telling me you can't imagine her 15 pounds lighter? We need to get another trainer then, because if I tell you she needs to lose weight in between her toe[s], you are going to figure out a f**king toe weight.'"

Although Kim and Khloé seemed to find Kanye's rage funny, others were outraged on Kim's behalf.

One online post read, "I thought Kanye seemed controlling before,

but this puts it over the top."

Meanwhile, another fan wrote, "What a horrible feeling it must be to be married to someone who doesn't think you're good enough."

And someone else ranted, "Oh dear... Kanye has control issues over Kim... surely she can't be happy like this?"

This isn't the first sign of Kanye controlling his wife of 11 months. She admitted her beau completely restyled her when they first started dating, and he's apparently taken some creative control over her career, including

KHLOÉ & FRENCH'S MIAMI HEAT!

The on-again pair pile on the PDAs in Florida

They officially split last December, but Khloé Kardashian and rapper French Montana can't seem to stay away from each other – setting tongues wagging last week as they cuddled up in Miami.

The reality star claimed she broke up with French because she didn't want a boyfriend, but from the looks of their recent PDAs, their relationship is hotting up all over again.

On 28 March, the pair were very touchy-feely as they lapped up the Florida sunshine. As they stopped to rest on some steps, French draped his hands over 30-year-old Khloé's legs and they were later spotted holding hands.

At Dream nightclub later that evening, French, 30, put his hand in the small of her back to guide her through the crowds. And the next day they were together again – this time partying with R&B legend P Diddy.

But it may just be a bit of fun for Khloé, who is yet to divorce Lamar Odom, despite filing the papers in December 2013. An insider says, "Khloé and French are back and forth. He makes her happy and she's having fun, but it's nothing more than that."

Khloé credited French for putting a smile back on her face after her marriage

breakdown, but their eight-month romance ended in September last year.

They briefly reunited before splitting again in December because things were apparently getting too serious for Khloé, but the couple keep being drawn back to one another.

In February they went to Hot 97's New York City concert, and less than a month later, Khloé and French saw Chris Brown and Tyga together at The Forum in LA.

They also enjoyed a low-key holiday in Key West, Florida, last month with a source saying, "They looked very happy together."

Just watch that heart of yours, Khloé... ■

EXCLUSIVE!

Mischief in Chelsea!

As the posh reality show returns to our screens, we catch up with the **MIC** cast to find out what's been going on while they've been away...

Binky Felstead, 24, Alik Alfus, 25, Louise Thompson, 25, together with the most ridiculously happy couple you have ever met – Stephanie Pratt, 28, and Josh Shepherd, 24, who can't keep their hands off each other – talk to us about new faces, old flames and wedding bells...

Hi guys! What do the new cast members bring to MIC?

Binky: Drama! [Laughs] They each make a really big contribution to the show, whether it's in a relationship or having fights. It's definitely not going to be dull.

Louise: They're already friends or related to someone and they're all attractive, so there's definitely a lot

of interest there. Some people feel threatened, too. It's all very juicy!

Alex has a new girlfriend. Was it weird meeting her, Binky?

B: I'd never met an ex's new girlfriend before, so I wasn't sure what to expect or how I was going to feel. But it was OK because I'm over him.

Are you dating anyone?

B: Maybe [smiles].

Is Lonan still in the friend zone?

B: Lonan is 100 per cent in the friend zone – there is absolutely no relationship there, ever! He's like a brother and I live with him. I finally got Fran out!

Have you and Fran patched things up?

B: No. I don't hate her, I just don't care for her any more. We're civil

when we see each other, but we're not friends.

Alik and Louise, how are things between you two?

Alik: I live with Proudlock and Stevie now. I'm at her place all the time. But it's nice to have my own place to escape to!

Louise: My house is nicer, so he basically stays at mine the whole time.

Do you feel like a Londoner now, Alik?

A: I do, but there are still some phrases that throw me off. The whole pants thing... That gets me every time!

L: Pants are the same as underwear. He doesn't wear any underwear, so it doesn't really matter!

A: Only underwear that's fun to wear!

Moving quickly on... Steph and Josh, you are so loved-up!

Josh: We've moved in together now and we're very happy.

Steph: Cooking, decorating, cuddling and getting all homey...

How do you find working and living together?

J: We love it! If I leave the house, Steph is always calling and texting me to ask, "Where are you? What's going on?"

S: You said the other night, "I miss you the minute I leave you!" We don't get bored of each other. We laugh from the minute we wake up until we go to sleep.

B: They make breakfast for each other with hearts on! They'll get married quite soon I reckon. They'll have the first *Made In Chelsea* marriage for sure!

There must be some downsides to living together, though?

Steph: He loves to play pranks on

SPENCER

'Lauren hasn't tamed me'

He's been loved-up with Lauren Frazer-Hutton for six months, and in that time, Spencer

Matthews has ditched his wild ways and gained himself a six-pack. But has she tamed the 26-year-old for good?

Meanwhile, his mate Stevie Johnson is well and truly past his heartbreak over Stephanie Pratt and is pretty smitten with new girlfriend Cressida Stewart. Could she be joining the *Made In Chelsea* gang? *Star* gets all the gossip from the boys...

Stevie has a new love interest

Hi boys! Spenny, is there any history with you and any of the new girls?

Spencer: [Laughs] I think it's safe to assume there's history all over the place! We're quite an incestuous little bunch.

How are things going between you and Lauren?

SM: They're great, we're as happy as we could be. I feel like I've grown up a lot recently and I'm not going out as much. Lauren and I are a good fit. She's a little bit older than me, which I think helps keep me in line a bit.

Has she tamed you?

SM: I don't feel like she had too much to do with that. I always went out clubbing a lot and there came a time when I began to find it boring, which coincided with Lauren arriving.

Are you living together?

SM: Not officially. She's in-between houses at the moment, so she's spending a lot of time at mine. She's very welcome to stay, though, and I'm in no rush to eject her because I love having her around.

How do you feel about Lucy?

SM: Lucy's nature to get involved with other people's relationships is not something I approve of, but having said that, Lucy and I were always good friends after our savage break-up – we managed to find quite a good friendship. But when she started getting heavily involved in Lauren and mine's development, some more space was given and I haven't really had a chance to talk to her about it. Lauren and I have just cracked on and we've been together for quite some

time now. Lucy doesn't play any part in our relationship at all.

Are Lauren and Lucy getting on now?

SM: After the antics at the end of the last series, Lauren wasn't particularly keen for me to spend more time with Lucy than was really necessary, so I haven't seen much of her at all. I wouldn't say they were the best of friends.

Stevie, are we going to see you date this series?

Stevie: I had quite a big year in 2014 on the show, so this series I'm looking to take a step back on the dating front. I'm seeing someone at the moment, but they're not on the show.

Would you like her to join?

SJ: If the time is right and she wants to do it, then that will happen. Because the show wants to cover every aspect of our lives, the more we put into it, the more we'll get out of it as well. But I'm not one for pressuring...

What can we expect from the series this year?

SM: Well, we have a lot of new cast members. It's really exciting because a lot of the time, despite the fact that the relationships are really real, we often meet people on the show, but we've actually known a few of the new cast for quite some time. So there are some deep relationships there already, which are now going to be exposed to the public. ■

me and scare me. Our house has got three floors and he likes to hide and jump out on me. It gives me a heart attack every time.

How are things with Spencer's girlfriend Lauren now?

J: We're best friends!

S: I really didn't think she was going to come back, but her and Spencer worked their stuff out. I was ready to put it all behind us, but then something happened and now I don't even look at her.

Could you rekindle your friendship with Spencer?

S: Not after everything with Lauren. I just don't really like Spencer.

We're civil, but I don't understand how girls can be friends with exes who have f**ked them over. I'm not that kind of girl. He's the devil. But I do think they're a great match, though! ■

Made In Chelsea returns to E4 on Monday 13 April at 9pm

'We don't have any time for Lucy'

star **EXCLUSIVE!**

From what we've seen, we certainly wouldn't want to get on the wrong side of Lucy Watson.

The feisty 24-year-old's animosity towards Sam Thompson, 22, and Georgia 'Toff' Toffolo, 20, is well-known, but there are mixed feelings from new cast members Emily Weller and Josh 'JP' Patterson, both 25...

Hi guys! Have you made up with Lucy and her sister Tiff?

Toff: I don't think we're compatible. It ended badly between Sam and Tiff and I'll always stand by Sam. I don't think that tension will ever go away.

Sam: I didn't think Tiff was ever going to talk to me again, but luckily that might not be the case. But Lucy... I don't have any time for her. I'm all about good vibes and, hell, she brings them down!

Emily and JP, what were your first impressions of Lucy?

Emily: I find it really rude when you're introduced to a girl and she looks you up and down like,

"Who the f**k are you?" I didn't warm to her at all. She's cold to new people.

JP: She's been nothing but welcoming and friendly to me...

E: That's because you have a penis!

Why do you think she gets so much flak?

JP: The problem with Lucy is that she's been f**ked over by a lot of guys.

T: She's f**ked a lot of guys!

JP: She puts up this frosty and blunt front, which causes her more problems.

Would you describe yourself as a player, JP?

JP: It's annoying, but that's the conclusion women come to when you say you've never had a girlfriend. But that's not to say I never will... Because there are a lot of players out there, it f**ks it up for the nice guys like me.

Are you looking for love?

JP: I don't think you should ever look for someone. It comes when you least expect it. ■

'Spencer's changed – he's boring now!'

Lauren Frazer-Hutton may be loved up with Spenny, but his pals aren't too impressed. We catch up with Lauren, 28, Rosie Fortescue, 25, Alex Mytton, 24, and Andy Jordan, 24, to find out why...

Hi guys! How are the newbies getting along in Chelsea?

Alex: Bringing a new group of people into Chelsea is never easy...

Rosie: I have really good girlfriends, so I'm picky about who I have around me. I'm friends with Emily, but the other girls aren't my type. They're not that mature.

Alex, were you nervous about bringing your new girlfriend, Nicola Hughes, onto the show?

AM: There was a fear it would ruin the relationship, but it's been good so far! **Was her first meeting with your ex, Binky, difficult?**

AM: As you can imagine, it was a bit awkward.

R: It wasn't pleasant, but it didn't turn into a brawl.

Spencer seems like a different man!

AM: He's boring.

Lauren: He's not boring! He's a new Spencer. He's so focused and driven at the moment.

How are things between you two?

L: It's one of the best relationships I've ever had. He's an incredible person. He's proved himself to be a brilliant boyfriend and we are very happy.

Lucy and Stephanie Pratt aren't your biggest fans...

L: There's always going to be drama with Spencer's exes. Under different circumstances we would have been friends, but they didn't warm to me. There's no bad energy from my side at all.

Is moving in together the next step?

L: We spend all our time together and we miss each other if we spend even a day apart, but we're not quite there yet.

Andy: Imagine living full-time with a partner! I'd freak out. My grandfather said the key to his successful marriage is that he worked away a lot. ■

Danielle Lloyd has been left heartbroken again, after finding out her cheating ex-husband Jamie O'Hara has a new girlfriend – who happens to be a lingerie model eight years her junior.

The new couple have been keeping their relationship out of the public eye, but Jamie, 28, has been seeing Elizabeth Tierney, 23, for two months – and the pair are said to be smitten.

Danielle was in Dubai last week when word got out about Jamie's new romance, and a source says the news has left her devastated.

"Danielle can't believe Jamie has moved on so quickly and with someone so young," our insider explains. "She feels like he has just replaced her with a younger version, which doesn't make her feel very good about herself. She is feeling very insecure and down at the moment."

Danielle-lookalike Elizabeth doesn't seem fazed by footballer Jamie's past or bad-boy reputation.

Danielle and Jamie, who share their sons, Archie, four, Harry, three, and one-year-old George, split up last year after he allegedly cheated on her with a string of women – even sleeping with one in their marital bed.

Dani, 31, went on to date

Liverpool nightclub owner George Panayiotou, 27, but they broke up in December – around the same time she was granted a quickie divorce from Jamie.

A few weeks later, Danielle Instagrammed a lonely picture of herself in bed and wrote, "Love my bed just hate being alone night night xx"

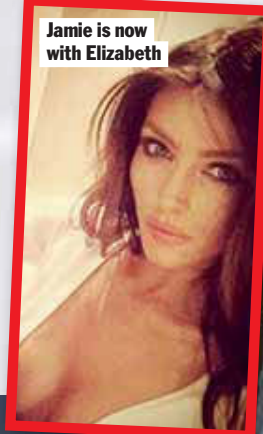

Our source continues, "Danielle wanted to move on first. Jamie is the one who ruined their marriage, so it seems unfair that he has found love before her."

"She's tried to take her mind off it by going on holiday, focusing on her sons and putting on a brave face, but she can't ignore this – it has really hurt her."

Cheer up, Danielle – there's a good man out there for you somewhere... ■

FUN, FEISTY AND FRANK... THE ESSEX GAL SPILLS ON HER LIFE

Hiya!

I've had an ear infection and ended up deaf in one ear for a week, so I'm ready for a break now that filming has finished on *TOWIE*. When you read this, I'll be sunning myself in Tenerife with Maddie and her nan Joan. I also want to say thanks for the great reaction to my first column. I'm glad you love it as much as I do!

Chloe

Date nights

As it's about 90 per cent certain that Elliott is moving back to Marbella, we've been going on some date nights. We had a lovely evening at Sushisamba in London last week. We're in a different place now he's going away. Elliott has said that if I want to make things work once he moves, he's willing to make it happen. It sounds perfect, and part of me would like to live in Spain, but I'm staying realistic. I won't take Maddie away from her life right now.

My inspiration

I've been reading *How To Juggle Without Balls* by Karen Haddon. It's an amazing true story of how a woman who was raped went on to be one of the UK's most successful company directors. As a budding businesswoman myself, it's such an inspirational read!

New hair, don't care!

I was a bit nervous about getting a bleached blonde bob, but I love it! It's a big change but I've wanted a new look for a while.

My hairdresser Timothy David did a great job. I love Kim Kardashian, so my hair-spiration came from her.

Charlie's doing well

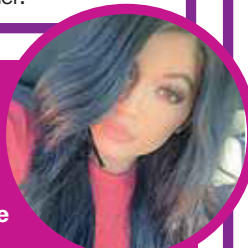

I still haven't seen my brother Charlie, but I've spoken to our two younger sisters and they tell me he's in a really good place and hitting the gym a lot. I'm glad he's happy. As far as I know, he and Ferne are still single and they seem to be feeling good about it.

My little sister
Demi with Charlie

Growing up fast

Kylie Jenner's been getting abuse on Twitter because she dresses provocatively. She's only 17, but she's grown up with older sisters who do the same, so it's all she knows. Maddie won't be doing that at 17, but it's all down to the boundaries parents set. I let Maddie have a phone – with security settings. She only uses it to call family and speak to her dad every day. I think it's disgusting that some kids her age use social media.

End of an era

Although my journey with Elliott isn't over, it was sad to film our last scenes of the series together as it's been an emotional one for us! Me, Elliott, Dani and James have grown really close. I've warned Dani and Lockie they better not ditch me for a new couple in the next series!

'I had no choice but to leave Ferne'

Charlie Sims reveals what's really going on with his ex...

He sensationally quit *TOWIE* and seemingly ended his four-year relationship with Ferne McCann on Twitter early last month, and ever since we've been dying to know what's really going on between them.

So we catch up with a rather chirpy Charlie, 23, to find out whether he'll get back together with Ferne, why he hasn't spoken to his big sister Chloe and the reason he was at breaking point on the show...

Hi Charlie! How have you been since leaving *TOWIE*?

I'm good! I'm feeling positive.

Ferne said you dumped her on Twitter. Did you?

She knew more than that before it came out on Twitter. That was me saying I need to move on with my life and these are the things I'm leaving behind. She texted me last night saying, "I have a lot of respect for what you've said and done."

He's still not talking to sister Chloe

So you're single?

Yes. I'm alright about it, I'm not looking for anyone, I'm taking time out and focusing more on myself. Me and Ferne are amicable.

Did you ask Ferne to choose between you and the show?

I asked Ferne to leave with me and she wouldn't. I always dreamt of us walking out together. I can't live Ferne's dream. I said to her, "There is a bigger, better world than *TOWIE*."

When I took the break in series 13, I said I wanted to

leave, but she said to give it another go. I should have left.

I regret staying.

Will you ever get back together?

I love Ferne to pieces. I never wanted

to leave her, but she didn't give me a choice, so

who knows. It wasn't the right time, so maybe in the future.

Did you speak to *TOWIE* bosses before writing those tweets?

TOWIE tried to say they sacked

Charlie and Mario are great friends

me, but they didn't. They found out on Twitter and I got a nice letter three days later telling me, "You've officially been sacked."

Why didn't you like being on the show?

I'm not cut out for it, but I gave it a good go. I did it for two years and I gave the show a lot of my life. I let them into my business, my relationship, my friendships and my family. There were good times, but it was just bad towards the end – enough was enough and it was time for me to move on.

Have you spoken to your sister, Chloe?

Things are still the same. Maybe it will get resolved, who knows.

A reunion with Ferne hasn't been ruled out by Charlie

Will you watch *TOWIE*?

I've watched a bit, but I don't really like watching it back. It's difficult for me to watch Ferne because *TOWIE* likes to show the bad things about people.

Who will you keep in touch with?

Mario Falcone – I still see him around all the time. Me and Mario are great friends. ■

'I'm not up for serious dating'

TOWIE star **Jess Wright** opens up about her complicated love life

As we sit down with Jess Wright over a cocktail at the launch of her Ann Summers swimwear range in Soho, she has a real glow about her. And it isn't the fake tan!

Jess, 29, seems back to her bubbly self since her painful split with Ricky Rayment. She coyly admits that it's partly thanks to her date nights with *TOWIE* newbie Dan Edgar, 24. But the Essex girl explains why she has decided not to put a label on them.

Jess also reveals whether her brother Mark has butterflies ahead of his wedding to Michelle Keegan and whether she plans to take someone as her date to the upcoming nuptials...

Hi Jess! You seem in a really good place right now...

I am very happy. I'm loving life right now – probably a bit too much as I haven't stopped partying!

Do you feel like you're back to your old self?

Absolutely. I'm in a different place entirely. I'm more carefree and laid-back now and I'm not worrying about things. It's very refreshing.

How are things with Dan since your chat?

It's good with Dan. He's really sweet and kind, so it's just nice

to be around him. We have had a lot of fun.

What attracted you to Dan?

He's charming and he's got really kind eyes. And there haven't been any problems. He's very laid-back and we get on really well.

Were you nervous to put a label on things after splitting from Ricky?

A little bit, but it's more that I'm really enjoying being single. I have a really big summer ahead. I've got my new flat and I don't really want a serious relationship. But I'm fine with dating and getting to know people.

Dan told us things were complicated with his ex too...

At first I thought, "Oh God, you've just come out of a relationship." But we're not doing anything wrong. We're two single people having fun.

Do you think Dan could ever win you over?

I don't want to be won over at the moment. I'm having too much fun. I like having no one to

answer to! There's no point rushing anything.

What's made you hesitant about Dan?

He is a bit younger than me. I should probably aim higher in the age category. He knows that we wouldn't be serious at the minute, but never say never because he is a really lovely boy. **Is he a potential date for Mark and Michelle's wedding?** I don't know him well enough yet, but who knows? I'm not planning to take anyone at the moment. I'm just looking forward to having a fun day. I'm not bothered about having a date.

Did Dan and Ricky talk on set?

I don't know... Not that I know of! **Have you found filming with Ricky awkward this series?** It's got to the point where I don't really think about it. I just keep out of his way now.

How's Ferne McCann after her split from Charlie Sims?

She's coping really well. It's nice to see them both being mature about the situation. I'm being there for Ferne every step of the way, just like she was for me.

Why do you think they ended?

It's just one of those things. The relationship had run its course and they ended in a civil way. Is it the end for good? It depends, because they've always been on and off. I wish them well, though. They seem really level-headed at the minute.

Do you think Dan Osborne is likely to return to TOWIE?

I don't really know much about

the situation. I wish him well.

His daughter looks beautiful!

Mark and Michelle are in amazing shape for their summer wedding...

Yeah, I think they've been going to the gym quite a lot! Mind you, they've always been in good shape.

Are they starting to get butterflies for the big day?

Yeah, none of us can believe how quickly the last year has gone. We're all really excited now.

Are you excited about having Michelle as a sister-in-law?

Yes, but she feels like part of the family already! She flits between Essex and Manchester, but she's liking Essex I think.

Does their relationship make you want to settle down?

In a way yes, because one day I will find that kind of love. They have a really strong bond and it's lovely to see. I'm so excited and happy for my brother because he's found a wonderful love.

You've said you feel more pressure to find The One as you head towards 30...

I don't feel in a rush, but I'm looking forward to the day when it does eventually happen.

You look incredible. How do you keep in shape?

I've been filming so much that I haven't had the chance to go to the gym as much

as I'd like, but I'm getting there. I'll go more when we have a break.

Have you planned any fun holidays between filming?

I have. I'm going to Dubai and then I think I'm going to go to LA and Las Vegas. And I'll probably be going to Marbella with TOWIE, too. ■

BEACH BODY BABE

Are you excited to be working with Ann Summers?

I'm a massive fan! We've chosen shapes and sizes of bikini to suit all body types.

Which set do you feel sexiest in?

I love the pink Azalea bikini [left] because it's really pin-up and cute.

How do you accessorise for the beach?

I love gold detailing and anklets in the summer. I like using gold flash tattoos – they go really well with this swimwear range.

What's your top tip for feeling bikini confident?

Wear a beautiful kaftan that looks ladylike and feminine with a nice pair of sparkly wedges and a good pair of shades. ■

ARG WARNED

'Don't get back with Lydia!'

As the pair get close again, friends worry she'll only hurt him...

They've been on and off more times than we can count, but now it looks like *TOWIE*'s Lydia Bright and James 'Arg' Argent might be rekindling their romance again – after she confessed she still has feelings for him.

Despite only weeks ago asking Arg, 27, to keep his distance from herself and her family, Lydia has recently softened towards her ex. And now she's split from her boyfriend Ben, it leaves the door open for a reunion with her childhood sweetheart. The pair have been flirting up a storm and Arg has confessed he still hopes they will reunite, saying, "There's a lot of flirting. There's always going to be feelings involved."

Even Lydia, 25, has admitted finding it hard to resist Arg – and it's going to prove even harder now that he's trim, toned and looking his best! She says, "Me and James have been together, so it's always going to be like that. He knows how to upset me more than anyone. But he makes me laugh so much."

Besotted Arg is now pinning all his hopes on a reunion and believes if he persists, Lydia will give in like she has in the past.

But friends are worried he's going to get burnt again. An insider reveals, "He's done so well since leaving rehab, he's a new man and

has finally got over his demons. He's never stopped loving Lydia, but she picks him up and drops him whenever she feels like it."

While Arg credits Lydia as being one of the people who set him on the right track, pals worry that a reunion could undo his recovery. Our source continues, "In the past Arg has probably deserved to be dumped, but friends are worried if Lydia does it again it could destroy all the hard work he's put into turning his life around."

"He's a different person now and maybe it's time to draw a line under their relationship." ■

The 24-year-old reveals, "The last few years have definitely been a rollercoaster ride."

"I've had laughter and tears, love and heartbreak and everything in between. So here's my side of the story. Here is the truth behind the headlines. I can't wait for everyone to read it."

Hmm, should Joey be worried? ■

Simon's been interviewing new judges

Simon's X Factor mind games

The big boss is keeping Cheryl, Mel and Louis on their toes

Simon Cowell has been accused of playing mind games with the *X Factor* judging panel as he desperately tries to boost the show's falling ratings.

The music mogul is said to have interviewed a number of women in his search for a powerful female judge to spice up the panel.

But the news means Cheryl Fernandez-Versini could be out of a job – and Mel B, 39, is also apparently anxious about the possibility of being given the axe.

An insider says, "Simon wants a massive shake-up of *The X Factor*. Frankly, he's bored of the way it is at the moment.

"He's been searching for that all-elusive woman, but so far he doesn't feel that he's found her. Many who are involved in the show feel that he's playing mind games. No-one is safe from the Cowell axe."

Bosses at the ITV show have long spoken of their desire to freshen it up in a bid to compete with BBC1 ratings juggernaut *Strictly Come Dancing*.

X Factor executive producer Richard Holloway recently revealed, "We are looking at format and the judges. There will be some surprises this year."

Last week, much-loved host Dermot O'Leary quit after apparently finding out that Simon wanted to get Olly Murs and Caroline Flack to replace him.

Dermot was said to be Simon's second choice, being held in the

wings in case Olly and Caroline turned the job down.

Insiders say Simon is using the same tactics on his judging panel and will give Louis Walsh, 62, the boot if Robbie Williams, 41, agrees to take his place.

Cheryl, 31, is said to be particularly worried by the looming threat to her job – especially as her music career has stalled.

It would be the second time Simon, 55, has humiliated her after he sensationally dropped her from the judging panel of the US version of the show in 2011.

Our source adds, "Everyone feels they're in the dark. Past events prove Simon can be ruthless, but Cheryl has told people she won't be made to look a fool again."

An *X Factor* spokesperson says, "It's too early to confirm the judges for next year. Each year we look at all aspects of the show, from the judges to the format, but it is too early to say what the on-screen changes might be this year. The judges are usually only signed up for one series at a time." ■

into the Top 100! The singer's most recent offering, *Only Human*, failed to make a mark on the singles chart. It climbed to an embarrassing No70 after she sang it on *Children In Need* last month, but by the time last Sunday's official Top 40 chart came around, the song was nowhere to be seen! ■

'I won't host it without Caroline'

Former contestant Olly is set to present the show that made him famous

From *X Factor* contestant to *Xtra Factor* presenter to... *X Factor* host? Olly

Murs has fuelled talk he will replace long-time host Dermot O'Leary, alongside his old sidekick Caroline Flack.

The 30-year-old hinted he may step into Dermot's shoes, but was quick to point out he wouldn't do the job on his own.

"There's no way I would even discuss doing the job on my own to replace Dermot. Dermot is one of my best mates in the industry."

"The only way I would even think or talk about it would be if Caroline was doing it with me because me and Caroline were great together."

He added, "I wouldn't want us to be compared to Dermot, because Dermot is brilliant at what he is."

Olly co-hosted the show's ITV2 spin-off with Caroline, 35, between 2011 and 2012, before leaving to support One Direction on their

Olly and Caroline are in the frame

world tour. But now sources say Simon Cowell is keen for Olly to take on the main show with the *Strictly* winner.

"Olly and Caroline have agreed to hosting the show in principle. It's just come down to contract negotiations now," an insider tells *Star*. "He has a great relationship with the show – he only ever left *Xtra Factor* because he wanted to concentrate on his music.

Dermot hosted the show for eight years

"But Simon has assured him he will be able to juggle both jobs, and there's even talk of him singing at the live shows."

Olly also said there would be no hard feelings if he took over from pal Dermot, who presented the show for eight years.

He explained, "I have known him since 2009 when I did the show as a contestant. It is obviously a massive shame, he has done an incredible eight years, but I think it is now time for a new chapter."

Caroline is also keen to reclaim a prime-time presenting spot with Olly, after being replaced by Sarah-Jane Crawford in 2014.

We'd love to see it! ■

EXCLUSIVE!

Britain's Got Talent

**BACKSTAGE
PASS**

**We go behind the scenes to
check out this year's antics**

When we rock up for our annual backstage visit to the *Britain's Got Talent* auditions, it's clear this year's acts are bigger – and crazier – than ever before!

We arrive at the Dominion Theatre in London to meet the hopefuls waiting nervously in the wings as they prepare to impress the four judges – Simon Cowell, Alesha Dixon, David Walliams and Amanda Holden.

First we chat to young street-dance troupe Entity, and we spy a familiar face – *X Factor* semi-finalist Lauren Platt's little brother Lewis! The ten-year-old made his TV debut with Lauren when he danced alongside her in the last series.

He reveals his big sister told him, "Go out there and smash it – and try not to be nervous." Lewis says he's "hoping" Simon will recognise him when he goes onstage.

Next we speak to rapper Tubby Boy, who says he wants to star in the Royal Variety Performance – in the hope he can MC with Prince Harry!

After some pictures with the auditionees (we politely decline Entity's invitation to break-dance with them!), we're whisked away and seated close to the judges, moments before the show begins.

As proceedings get underway, it's clear the fearsome four are going

to be tougher than ever this year. The atmosphere soon becomes intense, leaving hosts Ant and Dec to do a lot of comforting backstage!

Amanda brands contortionist duo The Acrobattys "cheap", while Simon tells one dance group he doesn't think they could "win the show" – despite putting them through. Funnymen David then suggests they "put the boys in dresses" to help matters...

We can reveal there's been some tension on the panel, too. When David comments that one eccentric singer reminds him of "a young Alesha Dixon", Alesha quickly lets him know she's not happy with the comparison! Cue David's sheepish face...

During the break, you'd think Alesha and Amanda would be first to get their noses powdered, but the make-up artists waste no time rushing to touch up Simon and David as well!

As the performances continue, we're amazed – and at times left peeking through our fingers – at what we encounter on stage.

By the time the auditions and our tour come to an end, we're exhausted by everything we've seen. It's definitely going to be an eventful series... ■

Amanda Holden says her new series brings out her caring side

We knew Amanda Holden was a softie, and now she's showing it as

the host of a heart-rending new programme about homeless animals.

She's fronting *Give A Pet A Home*, working alongside a host of celebs to help find loving homes for abandoned and abused pets left at an RSPCA centre in Birmingham.

The 44-year-old says she's a real animal lover (much to the annoyance of her husband Chris Hughes!) and explains why she thinks it's important her daughters Lexi, nine, and Hollie, three, grow up around our furry friends...

Hi Amanda! Why did you want to host *Give A Pet A Home*?

It was a no-brainer. I have been involved in a number of animal charities such as Battersea Dogs Home, PETA and Born Free, so when it was offered, it was a job I was always going to say yes to.

What can we expect to see?

The series is going to show the everyday work of the volunteers who help to rescue and re-home unwanted and abused animals. Although there will be some tear-jerking stories along the way, we are also going to have a lot of fun

She wants Lexi and Hollie to grow up with animals

But Chris has his limits...

Amanda's dog Rudie

watching the celebrities get stuck in. In the end, it's a show about happy endings – we want to unite as many pets as we can with new owners.

Why should viewers get involved with the series?

As Britain is the land of the underdog and the land of pets, we appreciate the loyalty and the love that animals give back. It's only a small minority of people who mistreat animals. I hope the majority will watch it and think they can give something back by giving a pet a home.

Have you always been a big animal-lover?

I think it's important wherever possible for children to grow up with animals. It teaches you so much about life and death and responsibility. I grew up with pets, from rabbits to cats to dogs, and I've been around horses. I'm also a vegetarian, so I'm quite soft-hearted when it comes to any animal-related issues. I think a love of animals is in my blood!

What pets do you have?

A Yorkshire Terrier Jack Russell cross called Rudie. He's incredible around the children – he was only tiny when I had Hollie and he's really patient and loving. When I'm on the loo I have both kids, the cat and the dog in with me chatting away! I'm never alone in my house. The cat is a Siberian fluff ball called Muffy. She's a diva.

Have you been tempted to adopt any of the pets on the show?

The downside of doing this job is

that it's hard for me not to take animals home. My daughter is saving up for a rabbit hutch because I've promised her she can have a rabbit in a few months, and I know there are three baby rabbits that need homes. Chris has threatened me with all kinds, so I am under strict instructions not to come back with any animals! ■

Fears for 'skinniest ever' Tara

Actress sparks concern as her weight continues to plummet

Tara Reid has ignited fresh fears for her health, after these shocking bikini pictures were revealed – showing her looking thinner and more frail than ever.

The 39-year-old actress appeared to be just skin and bones as she hung out with pals at Miami Beach on 30 March.

Cosmetic physician Dr Sach Mohan of RevereClinics.com tells *Star*, "Tara's body fat is probably under 10 per cent, which is very low. She needs to put on at least 10lbs. She looks like a size zero now, whereas in her *American Pie* heyday she was a UK 8-10.

"She's lost a lot of muscle mass, which suggests she's not exercising and she's not eating enough.

"Her butt muscles are shrinking and her skin has lost its elasticity. She's lost fat in her breast tissue as well, which is why there is a huge gap between them."

Dr Sach adds, "Her skin has aged much more than her chronological age, making her look far older than her years."

Fans online branded Tara "ill" and "malnourished", but she hit back at claims, tweeting, "I'm just a skinny girl and I do eat."

She has previously told *Star* that speculation about her weight is unfair, saying, "I'm fine with my body. I don't think it looks bad at all. I'm totally comfortable in my own skin. That's my genetics, it's how I'm made."

Tara's close pals John and Edward Grimes, who bonded with the actress when they appeared together in 2011's *Celebrity Big*

Brother house, also defended criticism of her weight.

"She eats all the time," Jedward tell *Star*. "She is just naturally skinny – that's her body type. People need to give her a break."

Tara has previously spoken about the botched liposuction op she had on her tummy in 2004, explaining, "I know there are problems with my stomach. There are bumps on it, it's uneven.

I'm scared about getting surgery ever again. It's like surviving a plane crash and getting on a plane again. [My stomach scars] are my battle wounds.

"Would I be naked in front of a random person? No. Would I do the cover of *Playboy*? No."

We hope you're OK, Tara... ■

DIETS, DATING AND DRAMA... TALES OF A GEORDIE GIRL!

Hi guys!

I'm in a much better mood this week! I'm back from holiday, I've recovered from the sunburn and I'm tanned, so I'm happy. I didn't see Mitch for a week while I was away and I was really horny, so when I got back we had sex straight away!

Charlotte

DJ Char in the house
I loved appearing on Radio 1 with Greg James last week – it was so much fun. When I'm older, I'd love to be a radio DJ! That's why I love going on the show, because it gives me a little taste of it. I think I'd be pretty good.

My weird talent

I can't wait for BGT to return. If I auditioned, my talent would have to be fanny farting – it's the only thing I can do on cue! I think it's quite impressive. Simon Cowell would probably be disgusted, but you never know with him, he might think it's really good. Sometimes he really likes the weird things, doesn't he?

Easter antics

I hope you all had a great Easter weekend! Mitch and I went to see *Furious 7* on Friday night, then we went for a meal on Saturday night to STK because you can get healthy stuff there. I was strict on my diet over the bank holiday so I could have a cheat by eating an Easter egg!

Sad news

My fish Toast is dying. He always lays at the bottom of the tank and never swims. He's bent in half and only breathes every so often. I've never had a proper pet before, only fish, so I get really attached to them. I've got a new one called Dot, who's having to witness it. But I'm glad Toast has got someone with him.

Geordie Shore is back!

I hope you all enjoyed the first episode of *Geordie Shore*. I can't believe I fell for that prank with the boys when I pretended to try and get it on with Gary – I'm such an idiot! But it was funny. It's sad but I never end up getting me own back, I'm such a victim! Everyone picks on me because I'm gullible, so they know they can fool us!

Congrats Ricci and Jay!

I was so sad to miss the launch of Ricci Guarnaccio and Jay Gardner's new bars, Attico and Verve, in my hometown, Sunderland. I heard it was a great night. Ricci and Jay have assured us that, next time, they'll be there with a bottle of champagne. I can't wait!

Kai and Klay loved every minute!

Coleen swaps Barbados for Butlins!

The WAG enjoys a budget break with her boys

She may be more used to sunning herself while enjoying the five-star luxury of the world's top spots, but never let it be said Coleen Rooney has forgotten her roots – as last week she took her kids for a fun weekend away at a Butlins holiday camp!

Shunning exotic climes for a budget break, the WAG took Kai, five, and one-year-old Klay to the family resort in Skegness while hubby Wayne, 29, was away playing for England.

Despite Butlins' old-fashioned family reputation, there wasn't a glamorous granny or a knobby knees competition in sight as Coleen and the boys enjoyed live entertainment from *Britain's Got Talent* winners Diversity. The 28-year-old tweeted, "Great

weekend at Butlins, reliving my childhood. The boys loved it, especially the entertainment!"

Kai beamed happily in the snaps Coleen shared, wearing a matching Diversity cap and T-shirt, while little brother Klay merrily covered his face in ice cream. Coleen even took the boys on a day trip to Fantasy Island in Skegness for a ride on the log flume to complete the full seaside holiday experience!

However, we're not convinced this is a sign the credit crunch has hit the Rooneys just yet – after all, they have splashed out on a staggering ten holidays in the past year, including breaks to Dubai, Cyprus, Portugal, Barbados, Las Vegas and Brazil!

Earlier this year, Coleen headed to Barbados, where she was

Klay enjoys his ice cream

Butlins fun for the Rooneys!

spotted wearing £800,000 worth of jewellery on the beach, and had an army of helpers to carry her ten – yes, ten! – large suitcases.

Somehow, we can't see Coleen regularly giving up her lavish holidays. Then again, we can't imagine Victoria Beckham chilling out in a windy caravan park in Clacton any time soon, either! ■

Where is the LOVE?

Has Cupid's arrow hit or missed this week?

Billi Mucklow & Andy Carroll

Former *TOWIE* star Billi has been showing off her baby bump in Abu Dhabi. The 26-year-old is enjoying a babymoon in the sun with footballer fiancé Andy, also 26. Billi, who's due to give birth in July, posted a picture of the couple in matching floral swimwear, writing, "Because I'm Happy." Lovely!

BABY BUMP!

RENEWED VOWS

Davina McCall & Matthew Robertson

The *Million Pound Drop* host and her hubby, 46, have renewed their vows in laid-back style, getting re-hitched in T-shirts and shorts at the Little White Wedding Chapel in Las Vegas. The pair, who have been married for nearly 15 years, read vows written by their kids Holly, 13, Tilly, 11, and Chester, eight. After the service, 47-year-old Davina posted, "Just renewed our vows... In Vegas!!! With the kids... And our mates!!! Such a blast! #togetherforever."

Helen Flanagan & Scott Sinclair

Scott isn't skimping before the birth of his and Helen's first child – last week he blew more than £100 on a Burberry baby set! The actress, 24, posted a shot of the distinctive beige check bib (surely a winner at disguising baby sick) online last week. She also revealed her wedding hopes, saying, "We'll definitely get married at some point. Scott knows what type of ring I want – one with a huge rock on it." Seeing where the 26-year-old buys his baby gear, we don't think that'll be a problem!

BABY BUY!

DATING?

Mariah Carey & Brett Ratner

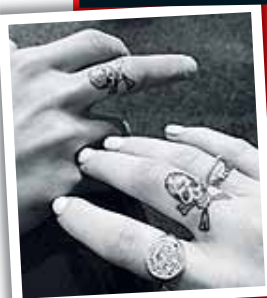

The diva and the director looked loved-up on holiday in St Barths, cosying up as they sailed round the Caribbean island on a yacht. This is the 45-year-old mum-of-two's first romance since she split from Nick Cannon last year and sources say they are in full-on dating mode. However, Mariah's rep insisted she and the 46-year-old are not a couple, calling the stories "ridiculous".

LOVE BITES! LOVE BITES! LOVE BITES! LOVE BITES! LOVE BITES!

● Ellie Goulding and Dougie Poynter have stepped things up a notch – by getting matching ink! The couple posted this pic of their skull and crossbones tattoos. ● Paula Patton says she's a "real woman" after divorcing Robin Thicke. The actress says, "I've grown a lot. It's been a long year

and a lot of challenges." ● Vanessa Hudgens has revealed she suffered from major jealousy when she was with heart-throb Zac Efron. "I went through a phase when I was really mean because I was so fed up," she said. "Girls were running after him, and I was giving them death stares." ● Carrie Underwood

and hubby Mike Fisher shared a picture of their newborn son Isaiah holding an ice hockey stick – just like his dad! She wrote, "Just waiting to get called up! #PutMeInCoach." Adorable!

'I have trust issues with men'

Reality star **Casey Batchelor** spills on settling down and dating dramas

Casey Batchelor is stunning, but she's the first to admit she has no luck when it comes to men.

As we catch up to chat about her new clothing line with Honeyz.com, the 30-year-old tells us she's tired of playing games, but that she still believes Mr Right is out there.

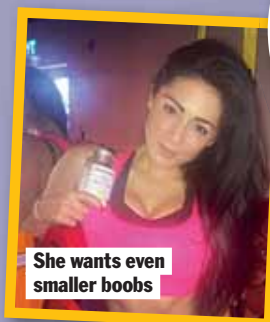

The former *Celebrity Big Brother* star also talks about wanting to be taken seriously in her latest film role, her plans to have her boobs reduced again and just how close she is to BFF Vicky Pattison...

Hi Casey! How is your love life these days?
I don't have any luck with men! I'm too nice – people walk all over me. Men like a bitch! But I'm 30 now so I don't want to play games. **So there's no man on the scene?**

I've been chatting to guys, but nothing comes of it. I'm choosy. Maybe I have trust issues. My past boyfriends cheated and I'd never go back there once the trust is gone. I've tried it before and it doesn't work.

Vicky told us you get all the attention when you're out together...

She's lying! She's being nice. Neither of us do when

She wants even smaller boobs

Casey and Vicky are best buds

we're out, we spend the whole night together.

What did you make of rumours that you two are hooking up?

It's ridiculous. We might have a cheeky peck on the lips, but there are no drunken snogs. It would probably be less hassle than with men, though!

Does Mr Right exist?

I hope so. I'd like to have the fairy tale ending of marriage and children.

Will you and Vicky be one another's bridesmaids?

Definitely!

Would you consider any more surgery?

I'd have my boobs reduced again. I'm thinking of going from an EE to a DD. But ideally I want to wait until after I have children. If I get pregnant I'm pretty sure they'll balloon!

We hear you might be going on TOWIE...

I have spoken to the

producers because I'm friends with the *TOWIE* lot – I'm close to Dani Armstrong and I've known Lauren Pope and Vas Morgan for years. But I'm too busy to commit.

How's the acting going?

I've finished the film *Bonded By Blood 2*. It's based on a true story about Essex gangs. It's really gritty, so I hope it proves I can act, as that's what I trained in!

Would you like to try cracking Hollywood?

That would be a dream. Look at Kelly Brook – she has done amazingly well. She's someone I look up to.

Tell us about your range with Honeyz.com...

Vicky has her own line with them and it started from there. I was always borrowing Vicky's dresses from the collection. Now we will be wearing each other's clothes all the time! ■

The Casey's Closet collection is available at Honeyz.com

ESSEX-O-METER

We grill the Essex girl in our quick-fire round...

When did you last say "Shut up"?
Oh God, probably this morning...
When did you last shop at Lakeside?
Last weekend.
When did you last have a spray tan?
I had one about ten days ago.

I'm due a new one! I get them about twice a month.
How many times have you been to Sugar Hut this year?
I was there recently for the *Bonded By Blood 2* wrap party.

I have been a few times this year.

Do you own a pair of white stiletto shoes?

I do... I own three pairs!

Chloe-Jasmine 'I speak to Stevi every day'

NATIONAL FILM AWARDS
PORCHESTER HALL, LONDON
TUESDAY 31 MARCH

Most X Factor romances die down after the show finishes, but this isn't the case for Chloe-Jasmine Whichello and Stevi Ritchie!

Speaking at the National Film Awards, the model, 23, told *Star*, "I talk to Stevi every day. We've been spending a lot of time together, he's lovely. I wanted him to come tonight, but he's in Colchester so I brought my nan!"

Caprice also attended the awards, but she admitted a night out on the town is rare these days.

"15 years ago, I was doing this every single night. Now it's once in a blue moon and I go to sleep by 9.30pm," she said.

Luisa Zissman might be getting married to millionaire Andrew Collins, but she's in no rush to slim down for the big day. Speaking at the Care After Combat Ball, the 27-year-old told *Star*, "I've been really enjoying eating a lot. I've been on a carb only diet and I haven't been to the gym for three weeks!"

Casey Bachelor also attended, but her BFF Vicky Pattison was nowhere to be seen. "I'm missing her because she's started filming her new show," she said.

"I've been having withdrawal symptoms!"

● Lucy Mecklenburgh cut a smart figure at *The Spectator's* annual bash, wearing a prim and proper midi-skirt and sweater combo. Perhaps she was trying to impress Pippa Middleton, who also

attended the party. ● Former Pussycat Doll Ashley Roberts showed her support for TV presenter Louise Roe, as she attended

her book launch in London's Bond Street. ● Sam Smith is keeping up with his dramatic weight loss. The *Lay Me Down* singer looked slimmer than ever at the NJR Music Tour in Lille, France, last week.

Tulisa's old image

Tulisa's Hollywood makeunder!

As she sets her sights on LA, the singer adopts a new look

After a difficult couple of years, Tulisa Contostavlos is bouncing back in style – giving herself a serious makeunder in the hope of finally cracking Hollywood.

The former *X Factor* judge has long dreamed of an acting career and in an attempt to be taken seriously Stateside, and impress potential casting directors, Tulisa showed off a fresh-faced look at the National Film Awards last week.

Gone are the big lips, orange fake tan, extensions and dubious fashion sense as Tulisa, 26, debuted a demure pastel dress and toned-down tan. However, the former N-Dubz singer proved she still has an edge as she showed off a huge unicorn tattoo on her shoulder.

Despite admitting in the past that having fillers in her lips and cheeks makes her happy, it also looked like she may have laid off the injections in recent weeks.

Tulisa has shunned the limelight after releasing her comeback single *Living Without You* back in January, and has instead been focusing on getting healthy. She has been working out with personal trainer Peter Mac, and also revealed in December that she does juice diets to get in shape.

A pal reveals, "Tulisa is in a far happier place now, and she finally feels like she's put the court dates and scandals behind her.

"She's wanted to get into acting for a long time and she has a newfound confidence, so it's a good time for her to focus on that dream."

The new positive attitude seems to be paying off, with even her old boss Simon Cowell said to be considering her *X Factor* return after she successfully stepped in for Mel B when she was rushed to hospital during last year's series.

Looks like things are on the up for Tulisa – and about time too! ■

They say money can't buy happiness. It also can't buy you a membership at the exclusive Soho House in LA, as über-wealthy Kim Kardashian found out.

In a move that surely triggered one of hubby Kanye West's rants, Kim, 34, has been rejected by the club.

Former membership director Tim Geary revealed, "We denied access to every Real Housewife who applied. Kim Kardashian has unsuccessfully tried numerous times."

He also said they debated about letting Britney Spears in, saying, "We tried not to give membership to people who would fuel paparazzi."

Scott 'I'll go back to rehab'

He only lasted five days in rehab, but Scott Disick says he'll return to Costa Rica's "amazing" Rythmia Life Advancement Center.

The 31-year-old, who was back on the party scene in Vegas shortly after, says, "I'm not done... I'm a work in progress and anything that I can do to better myself, I'm trying."

That's no doubt music to the ears of Kourtney Kardashian, who has apparently been left to care for their three kids.

Bieber's babysitting service

Justin Bieber, the doting babysitter? The troublemaker was an unlikely childminder for Kourtney Kardashian and Scott Disick's five-year-old son Mason. But he still scored high praise from grandma Kris Jenner! She shared a cute snap of them, writing, "#Mason & @JustinBieber family pool day!!! #bestbabysitterintheworld."

Later, 21-year-old Biebs joined Ariana Grande for her Miami concert – and forgot the lyrics to *Love Me Harder*. There, there Biebs, you were just filling in on the duet...

Destiny's unite!

Queen Bey is an amazing solo singer, but we'll always have a soft spot for those Destiny's Child days. Last week, Beyoncé, 33, joined Kelly Rowland and Michelle Williams, both 34, for a surprise reunion at the Stellar Awards in Vegas – and they all rocked matching costumes! #bringbackdestinyschildforgood, we say...

Miley's biewt-iful tattoo

Nothing says BFFs like matching ink, or so it seems for Miley Cyrus and her pal, Cheyenne Thomas. While it's clearly too early to get a permanent tribute to her beau Patrick Schwarzenegger (or maybe there's not enough space on her body for that surname), the 22-year-old did get the word "Biewty" scrawled under her arm to match Cheyenne's. She shared a pic of their ink on Instagram with the caption, "#Biewtyispain."

'Fed up' with Chris

Karrueche Tran says there "ain't no making up" with Chris Brown after he had a baby with someone else – even though she still loves him.

The model, 26, who has dated Chris, 25, on and off since 2010, says, "My issue is with myself and Chris. Not the baby, not the mother, not Rihanna... I understand what he's put me through and I'm fed up."

Jackson, of all people. Russ said before the singer died, he kept calling him for "two or three years", adding, "I never met him, but he found out the name I stayed in hotels under and he'd ring up." ● Harrison Ford has been released from

hospital, three weeks after being critically injured in a plane crash. Get better, Harrison! ● Kelly Brook still has an acting job! It didn't inspire the best reviews, but it looks like her US sitcom

One Big Happy will get a second series. So, we're guessing there'll be lots more Kelly nude shots!

LOOK
OF THE
WEEK!

MILLIE MACKINTOSH

9/10

We love this slinky, metallic Reformation number on Millie. The belted waist and batwing sleeves give off a vintage elegance, while her updo screams Grecian goddess. Almost top marks!

GWEN STEFANI

6/10

The queen of dungarees does it again! It's a tricky trend to pull off, but Gwen acs it. Teamed with a basic vest, sunnies and colour-pop brogues, she oozes laid-back style. We'd bin the bobble hat, though!

HILARY DUFF

6/10

Hilary's gone all Katy Perry on us – and we kind of like it! Her new blue-green 'do combined with a girlie pastel outfit is an edgier look for the actress. The draped coat is a good look, too.

RIHANNA

2/10

Oh dear Ri-Ri, this look is not good. The graffitied lab coat, child-like bucket hat and strange boots make for one of her strangest outfit choices to date – and that's saying something!

KATIE HOLMES

8/10

The cut-outs vamp up this gorgeous embroidered Zac Posen dress and Katie's on-trend slicked-back hair is the perfect style. It's a more daring look for the actress – and we're big fans!

Beauty buzz!

THE BLONDE BRIGADE

Kim Kardashian's flirtation with the bleach may not have lasted, but if you're a bottle blonde you'll know it's seriously high maintenance. Luckily Sexy Hair has the solution with its new sulphate-free shampoo and conditioners, adorned with a picture of the ultimate blonde bombshell, Marilyn Monroe. With chamomile, honey and quinoa, they will care for and maintain your colour. From £11.95.

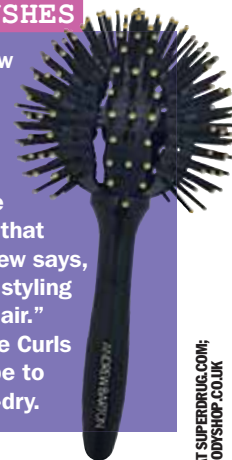

WHAT A LOTTIE!

We're in love with new beauty brand Lottie London's make-up tools, which start from £3.49 and are exclusive to Superdrug. Our favourites are these handy mirrors emblazoned with cute quotes and the soft make-up brushes in candy colours – fab for brightening up a dull beauty bag!

BARTON'S MIRACLE BRUSHES

Celeb stylist Andrew Barton has styled the locks of everyone from Eva Longoria to the Olsen twins. So, we're super excited to capture some of that magic with his new brushes. Andrew says, "I created this gorgeous range of styling tools to work miracles with your hair." He particularly likes the £9 Miracle Curls Brush, with its clever sphere shape to curl and style hair while you blow-dry.

KYLIE'S NIP + FABULOUS!

Like her older sisters, Kylie Jenner is a total beauty buff, so she's right at home as the ambassador for her favourite skincare range, Nib + Fab. Her favourite from the collection? Kylie says she "never travels without" the Dragon's Blood Fix Plumping Serum, £19.95. It's not as scary as it sounds, and is packed with hyaluronic acid – perfect for a skin boost!

Patsy Kensit reveals her beauty secrets and body ethos

When we received an exclusive invitation to have a posh breakfast meeting with the lovely Patsy Kensit at the Corinthia Hotel in London, we jumped at the chance.

The 47-year-old actress is here to tell us about her amazing new skincare range, Preciously Perfect, and she also reveals why she swears by meditation, her guilty pleasure and her secret to looking so fresh-faced...

Hi Patsy! What's your secret to looking so young?

Be happy and smile! You can be a victim or you can learn from it. I've got lines and my face moves, but I'm comfortable.

Tell us about your skincare line...

It's called Preciously Perfect because it's precious to me. Perfection is not the goal, but it's for every woman to have affordable luxury.

Do you also take supplements?

Vitamin D, because I don't sit in the sun any more, and evening primrose oil. I don't drink tea or coffee – I was never given them as a child. We were so poor, we couldn't afford it. I drink lots of water.

Are you a healthy eater?

I eat three meals a day and eat well. I love food. I had the most amazing food cooked for me in the *Big Brother* house. Nadia [Sawalha] was incredible and I lost a stone.

She thinks Nadia's an incredible cook

Patsy is a big fan of meditation

What's your guilty pleasure?

A bar of Toblerone. Last night I ate one so fast – it was like someone was going to take it off me! I love chocolate and crisps, and my vice is Diet Coke with lots of ice. I push the boat out!

Why do you enjoy meditating?

It's changed me, it's been wonderful. I do it every day and it's incredible.

Do you exercise, too?

I run for 40 minutes every day. I like the distraction.

How do you find the time?

It's amazing how much you can get done between 6.30am and 11am. It's about being organised. Women are superheroes! We are the stronger of the genders.

What's your go-to outfit for a night out?

Probably a knee-length dress, no cleavage or any of that! I love a tuxedo, too. I got the best tuxedo jacket in Topshop. The high street is brilliant. A blessing about being this age is that you know what works for you. I don't succumb to trends.

Do you feel a lot of pressure to look good in public?

It's not really about other people. A girlfriend's approval means so much more to me.

What is your favourite part of your body?

Everything is fabulous! I've got a big, wobbly bum and cellulite, but I'm confident in myself. If you don't like what you see, don't look! ■

Orlando

Set deep in the heart of the sunshine state, Orlando is known as the theme park capital of the world – and it's easy to see why! Beyond a certain big-eared mouse and friends, there's an incredible variety of attractions, be it water sports, wildlife, white-knuckle rides or simply relaxing in the sun.

But there's more to Orlando than just family fun. With a thriving food and drinks scene, it's a hot destination for couples seeking something a bit more adventurous than the standard sun and sea holiday. And spring is an ideal time to visit, with highs of 28 degrees and ten hours of sunshine a day.

Theme park heaven You may think SeaWorld is just whales jumping through hoops, but not so! You'll find yourself immersed in all aspects of sea life with once-in-a-lifetime animal interactions such as feeding stingrays. But this varied theme park also offers thrilling rides that will get your heart racing. There's a lot here for big kids, too!

A short drive away is Aquatica (aquaticabyseaworld.com), a water park like no other. It has private cabanas, wave pools and serene sandy beaches as well as a plethora of rides ranging from gentle splash pools to stomach-flipping water slides.

Real thrillseekers should head straight to Ihu's Breakaway Falls, Orlando's tallest and steepest

multi-slide ride – you'll need nerves of steel!

If you're after an otherworldly experience, head to stunning Discovery Cove. From swimming with dolphins, hand-feeding exotic birds and snorkelling with rays, you won't forget this tropical paradise.

The Discovery Cove Ultimate Package includes a day at the cove, a 30-minute swim with dolphins, meals, drinks and 14-day unlimited entry to SeaWorld, Busch Gardens and Aquatica. Prices start from £175 per person (seaworldparks.co.uk).

Dining out Head to Benihana (benihana.com) for incredible Japanese food and the VIP treatment – each table has its own private chef!

If you fancy a romantic night out with a French twist, Bistro Clo Clo (bistrocloclo.com) is ideal. They do an excellent French onion soup and boeuf bourguignon.

Café Tu Tu Tango (cafetututango.com) offers a different culinary experience, as its eclectic menu features tastes from around the world. Dishes are meant to be shared, so it's great for a night out with mates.

After dark As well as boasting some of the best Mexican food in town, Rocco's Tacos (roccostacos.com) is also home to a bustling tequila bar. Try one of their expertly crafted

cocktails and let the good times roll! Feeling adventurous? Head to Señor Frog's (senorfrogsonorlando.com) for a seriously wild night.

Tampa

The Bay Only a couple of hours' drive from Orlando, you'll soon see why so many celebrities call Tampa Bay home. With its serene and beautiful waterways and warm weather, it's a prime place to chill out after busy Orlando.

Rent a bike and cycle along Bayshore Boulevard for stunning views of the city. Or hop on a water taxi for a relaxing cruise through the Downtown waterfront, where you can get a proper eyeful of the incredible architecture of the city.

Tampa offers a totally wild experience with Busch Gardens – home to one of the country's top zoos, which houses more than 2,500 animals. As well as the fascinating safari trip and interaction with exotic animals, there are also some wild rides (seaworldparks.com).

Dining out For a proper American-style breakfast,

get yourself straight to Datz (datztampa.com), where they serve up diner classics made to perfection.

Carmine's (carminesybor.com) is fabulous for people-watching while enjoying a relaxing lunch – their signature Cuban sandwiches are to die for.

For a real taste of Tampa, try Copper Fish Seafood Grill & Oyster Bar (copperfishtampa.com) where you can feast on some of the freshest seafood you'll ever have. And for a sweet treat, check out the famous dessert room at Bern's Steak House (bernssteakhouse.com) with nearly 50 choices!

After dark Get the night started in Ybor, the city's historic and buzzing Latin quarter.

Try out Ciro's Speakeasy for a step back in time – it has a late-night happy hour at the weekends, so make your way through their long cocktail menu.

Over on South Howard Avenue, take a look at what the locals call the SoHo Strip – one of Tampa's busiest bar scenes where you're guaranteed a good time! ■

Your vital guide: what to listen to and watch...

FILM **The Duff** (12A)

Stars: Mae Whitman, Robbie Amell, Bella Thorne

With its fear-fuelled high school crammed with jocks, nerds and mean girls, you probably think this movie is running to a formula you've seen before. Five million times.

In fact, this teen comedy is a lot smarter than it first seems. Much of the credit for that goes to Whitman, who plays geeky heroine Bianca with pitch-perfect comic timing. The teen is mortified to learn she's a "DUFF" – Designated Ugly Fat

Friend – to her model-alike 'buddies' who use her to make them look better and seem accessible.

So with the help of her childhood pal, hot jock Wes (Amell), she goes on a de-DUFFing spree, boosting her confidence, chasing the boy she likes and taking on the school bitch, gloriously horrible vlogging star Madison (Thorne).

Verdict: *Mean Girls* for the smartphone generation. ★★★★★

EP **Flo Rida** **My House**

The Deep South chart smasher is back with an EP full of more huge songs. You'll already know the best track, *GDFR* (Going Down For Real), which hit No3 here with its distinctive mix of punchy rhymes and electronic violin. Elsewhere, Robin Thicke comes in from the cold on summertime tune *I Don't Like It, I Love It*. The title track, *My House*, is slightly cheesy and if it doesn't end up on *MTV Cribs* there's no justice, but Flo Rida's style is so infectious, for us he can do no wrong.

Verdict: Joy Rida. ★★★★★

SINGLE **Will Young** **Love Revolution**

He's not young Will any more, but the singer's youthful exuberance comes blasting out of this new single. This track, the first from his forthcoming album *85% Proof*, is crammed with funk soul. Will brings his ever-impressive vocals to bear, lifting a hook line from Tomcraft's 2003 No1 *Loneliness*. If the rest of the album is as good as this, we're in for an absolute cracker. ★★★★★

FILM **Woman In Gold** (12A)

Stars: Helen Mirren, Ryan Reynolds

This isn't a film about that optical-illusion dress (it was blue and black, by the way) but in some ways we wish it was, because this is an amazing story told in unexpectedly ordinary style. Here, Mirren plays an elderly Jewish lady desperate to be reunited with a painting stolen from her family by the Nazis – of a woman in gold. The problem is, it's the star attraction at an Austrian museum. Cue a fight for what's right involving Reynolds as a plucky young lawyer. With Mirren leading the show, you'd expect some magic, but very little ever comes.

Verdict: A fine story, but this is painting by numbers. ★★★

FILM **Cobain: Montage Of Heck** (15)

Stars: Kurt Cobain

Don a checked shirt and dive into the musical mess of the 1990s with this poignant look at the life of tormented Nirvana star Kurt Cobain, who fatally shot himself 21 years ago this month. With the help of interviews, home movie footage and animated scenes, the story of the late musician is brilliantly brought to life. Director Brett Morgen renders Kurt less as the grunge god he's often portrayed as, instead showing a conflicted, human and lost man. The haunting footage of him as a cute kid on the pathway to destruction is enough to warrant the tears this story deserves.

Verdict: A moving, brilliant documentary. ★★★★★

'I'll never go back to Corrie!'

Queen of telly impersonations Debra Stephenson is happy her soap days are over

EXCLUSIVE!

Star has barely started to chat with master joker Debra Stephenson when she breaks into uncanny impersonations of comedians Miranda Hart and Sarah Millican – which results in fits of giggles on both sides!

The former *Coronation Street* actress, who played feisty Frankie Baldwin in the soap between 2004 and 2006, is quick to compose herself. After all, 42-year-old Debra is super keen to chat about her new ITV puppet show *Newzoids*...

Hi Debra! Can you tell us a little bit about *Newzoids*?

It's so extraordinarily funny and an absolute joy to work on. The voices are great and the characters are all new. We have Ed Miliband, a fantastic Nigel Farage, a very matronly Theresa May and a sexy Paul Hollywood – the scone-baking God – who is taken down to size by Mary Berry. It's good fun!

Who is your favourite person to impersonate?

The actress Olivia Colman. I've enjoyed doing Beyoncé and Kim Kardashian and I love to do people I particularly like. I love Miranda Hart [Debra breaks into an impression].

Who would you love to play if you could choose?

They haven't written for Sarah Millican yet, probably because she's already funny in her own right. I like her voice so much. She's funny already so I'm not sure I could find a funny take.

Is there anyone you couldn't impersonate?

Mariella Frostrup may have defeated me. Her voice is so husky and low. People with those kind of worn-in voices are more difficult for me.

Have you ever offended anyone with an impression?

Someone asked if I would do an impression of Cilla Black. Cilla was in the middle of a conversation with the head of ITV at a party and my drunk friend dragged me over to her. It was really bad timing and I wanted the ground to swallow me up. I felt awful about it.

Would you like to do more acting roles too?

Definitely. I love playing characters. I guess the ultimate role would be to

play the part of a real person who I'd be able to not just do an impression of, but a real character study throughout the duration of a play or film. I would love to play Margaret Thatcher!

Would you like to resurrect one of your old characters, such as Frankie in *Corrie*?

I'm not especially keen to do anything I've done before. When you've played a character for three years, you've probably done everything you need to do with it. The same applies to Shell Dockley [her character in *Bad Girls*].

Is there anything else you'd like to try?

I still haven't done a musical. I've obviously done pantomimes, but I've been offered some lovely roles in musicals in the West End and it has been too difficult to take those on because of my family situation. It's a case of finding the time and the right moment in my life. ■

In the first of tonight's stories, university student Jamie is shocked when old fling Anya turns up at his doorstep, heavily pregnant with his baby. And she quickly goes into labour on the street before giving birth in the back of Dixie and Iain's ambulance. Then, in hospital, Anya's teacher Mrs Swanson appears claiming to be adopting the baby but Connie thinks something's not quite right about what's going on. She discovers that a vulnerable Anya was talked into it and when her baby becomes critically ill, she realises she wants to keep it. Meanwhile, schoolboy bullies throw

geeky Curtis into a bin. Fed up, the youngster stays in the chemistry classroom with teacher Mr Flowers. When he reveals that he's letting one of the culprits help with a science experiment, Curtis takes the opportunity to sabotage it by swapping the chemicals. And the explosion that follows badly injures both bully and teacher. Elsewhere, Cal is upset following Taylor's disappearance and he apologises to Ethan for stealing his money. Plus, Connie's friend Alfred who is suffering from motor neuron disease is getting worse, leaving her with a huge decision. ★★★★★

Vera

8pm, ITV

In the second episode of the new series, Vera and her team begin to investigate a 30-year-old case when the remains of a teenage girl are found half-buried in the woods. They turn out to be the bones of miner's daughter Carrie who vanished during a strike back in 1984. At the time, her dad Bill insisted that despite his daughter being rebellious, she would never just run away from home but nobody agreed with him. The case reunites Vera with old boss John Warrick, who's shocked he might have dropped the ball with the original investigation. A credit card is found on the

girl's remains and leads Vera to a clothing company run by Arjun Banerjee and his daughter, and Arjun recalls it'd been stolen by ex-employee Michael — who now happens to be a local MP. Meanwhile, when cops go through TV footage of the miners' protests, Carrie is spotted taking photographs in the background so they know she became involved in the unrest the day she vanished and it turns out that dad Bill lied about the whereabouts of his daughter that day. Then, photographs from her camera reveal more details but will Vera get to the bottom of the case? ★★★★★

So when he gets his hands on a jet pack, a nifty bit of military kit, chaos ensues as he crashes into the church. Short of cash, the congregation, led by Marge, bend a few rules to raise repair funds, including gambling and a bit of card-counting! ★★★★★

Code of a Killer

9pm, ITV

In the second episode of this disappointingly brief drama, the teenager who admitted the killing of Dawn and Lynda is released and the world is first introduced to the notion of DNA fingerprinting. Baker calls together his team, some of whom aren't quite convinced by the new science that's supposed to help them. He tells them that they need to go back to square one with the case, pouring through statements and paperwork. Then, when Baker realises the usual routes of inquiry aren't working, he decides science can help now they have the DNA code

of the killer. He wants to conduct the world's first DNA manhunt – testing the blood of every man in the area between 18 and 34 to try to catch the culprit. And after a making a plea to his bosses and despite the huge expense it would involve, the Home Office agrees but the screening process has to be voluntary and nobody can be forced to do it. That means, in order for it to work, the police have to get the entire village to take part. And as the police and doctors wait with baited breath, will it be enough to catch the killer? ★★★★★

Modern Family

8pm, Sky1

Motherhood seems to have changed Mitch and Cam's sassy gal-pal Sal (Eizabeth Banks) when, along with Pepper, they throw a belated baby shower. As for the Dunphys, after enduring a weekend with Phil's old buddies, Claire nabs the only first-class seat on the return flight home, leaving her hubby in economy – a move she soon regrets. ★★★★★

Ordinary Lies

9pm, BBC1

The focus of tonight's penultimate episode of the series is salesman Pete (played by Mackenzie Crook). He's known as the office hypochondriac and is never without his inhaler and painkillers but it soon becomes clear that his ailments are the least of his worries. Having suffered a series of miscarriages over the years, it seems that luck is finally on Pete and wife Vanessa's side when they find out they're expecting a baby. However, as a recovering gambling addict and with crippling debt, Pete is already feeling the pinch when it comes to cash. So when he and colleague Fat

Jason are involved in a violent car robbery during a test drive, they end up beaten black and blue and in hospital where they are questioned by the police. But with the cops convinced the robbery was an inside job, attention quickly turns to Fat Jason whose suspicious behaviour causes raised eyebrows. Meanwhile, Beth and Mike take their relationship to the next step as Beth tries to move on with her life following the absence of her missing husband. However, continuing to receive the silent phone calls, Beth is encouraged by Dave's mum to not give up on him just yet. ★★★★★

First Dates

10pm, Channel 4

There are certain shows that seem to have been created just to make us cringe and we reckon this is a perfect example of one of them. Over the last six weeks, we've hidden behind cushions, shouted at the telly, scowled and laughed as we've watched couples meeting for the first time on blind dates. In case you've missed it to date, the premise is simple — real people meet in a restaurant but there is a twist — nobody in it, besides maitre d' Fred and his staff, has ever laid eyes on one another before. All the diners are single, aged from 18 to 80 and hoping to meet the man

or woman of their dreams. In tonight's episode, there's a second chance for two daters. The first is 23-year-old Mula, who was stood up on her last visit to the restaurant — the poor girl — and naturally she is hoping that round two will be better, fingers crossed for her! She is meeting fellow returner and funnyman AJ, who compares girls to a bucket of KFC chicken (not the best of starts). Mula wants someone who can make her laugh so AJ tries to seduce her with a collection of his best jokes. But will they fall flat or will it be second time lucky for both of them? ★★★★★

The Jinx: The Life and Deaths of Robert Durst

9pm, Sky Atlantic

If you've never heard of Robert Durst don't worry, neither had we. So why are we suggesting you watch a programme about a man who is unknown to us? Well, it's because this six-part documentary is a fascinating insight into a bloke who has been accused of three murders in the last 30 years but has never been convicted or spoken publicly about them. Until now, that is. The documentary begins in 2001 with the discovery of a dismembered corpse found floating in bin bags in Galveston Bay, Texas. The investigation led to the arrest of Durst, who went on the run after

making bail. When he was arrested again following months of avoiding the authorities, his dream team of lawyers jumped to his defence. Then we fast-forward to 2012 as this show's directors are preparing for the release of their movie based on Durst's life, *All Good Things*. When one is contacted out of the blue by Durst, who asks to see the film, it leads to him volunteering to take part in an extended interview. And without giving anything away, we can tell you *The Jinx* gained huge exposure in the US when Durst was arrested the day before its finale aired. ★★★★★

And it looks like the couple's decor is putting guests off. ★★★★★

Scandal

10pm, Sky LIVING

NCIS: New Orleans / NCIS

9pm / 10pm, Channel 5

In the first of tonight's crime double, New Orleans is the setting for a case involving a stolen gun and the unsolved death of Jacob Tarlow, a Jewish officer who was involved in recruiting black Americans into the navy in the 1970s. Targeted by Ku Klux Klan members, Tarlow was found hanged from a tree, although the death was ruled as a suicide. The man's widow and his friends have always maintained he had his gun with him on the night that he died. And Pride relishes the chance to do some more digging on Douglas Hamilton, whose father may have been

involved in the case. Look out for a guest appearance from Dean Stockwell along the way. Meanwhile, over on *NCIS*, when an internal security breach forces it to go into lockdown, a secret listening device is found in a pen belonging to Secretary of the Navy Sarah Porter. Gibbs gives her the benefit of the doubt when she claims not to remember where or when she got the pen. Then DiNozzo learns that Ellie Bishop, an analyst at the National Security Agency, wrote a report two years ago predicting such a thing might happen, so she's recruited to the team to investigate. ★★★★★

60 Seconds with

Marnie Simpson

The 23-year-old Geordie Shore star on scary co-stars and her hidden talent...

What's your most treasured possession?

My phone. My whole life is in there. I couldn't live without it.

What was your Plan B?

I would probably be on my travels around the world or backpacking through Europe. I would have loved to have been a scuba diving instructor.

When did you last cry?

When I was sorting out my tax bill – I was getting really stressed out.

What's your favourite film?

I'm a film buff, so I've got so many! I do really like Grease.

Have you ever been starstruck?

I haven't met anyone famous enough yet. If I met Tom Hanks or someone like that, I would get starstruck.

Who's the rudest celebrity you've ever met?

Vicky Pattison can be quite rude. She can be scary, in fact!

Have you ever said, "Do you know who I am?"

There was one night Vicky was so mortal drunk and angry about having to film that she marched round the room

screaming to all the cast and crew, "Try making this f**king show without me."

Everyone just sat watching her. It was so embarrassing.

What annoys you?

Liars. I can't bear them.

What's on your bucket list?

I want to travel to different places, such as China, India and Australia. I also want to go in a shark cage in South Africa with Great Whites.

When were you happiest?

The day I passed my driving test!

Do you have any hidden talents?

I can pick things up with my feet and can even open doors with them. One time my then-boyfriend was driving the car and I was changing the gears with my foot!

Who is the most famous celebrity number in your phone?

I don't have any celebs in my phone. I'm quite a homely person. I don't even leave Newcastle unless I have to!

What's your life mantra?

To live it to the fullest.

Where's your favourite place?

My bed! ■
